TECH NEWS

The **Los Angeles Center Studios**, a full-service complex covering 20 acres, has signed six new long-term tenant leases, reports Sam Nicassio, president of the facility. These are **Maya Cinemas** (theater circuit); **Esparza-Katz Productions**; **AMP Filmworks** (HD and SD rental equipment); **Delfino Entertainment** (production, financing, marketing and distribution); **Enterprise Rent-a-Car's Entertainment Division** (production services); **Gutz Film** (production and post); and **Hollywood Paws** (agency for animal actors).
